Merchandiser Series 100

## Merchandiser Series 100

Merchandiser Series 100 is an upscale, highly reconfigurable mobile merchandiser designed with versatility in mind. The durable steel chassis is structural, allowing for maximum product merchandising. A multitude of elegant graphic, shelf and merchandising accessory options provide endless ways to brand and present your product. LCD screen mounting options are also available, making this system digital sign ready, quickly and cost effectively.

Create a freestanding backwall or larger display by connecting multiple units horizontally.

Create a 4-sided mobile backstock display with the backstock shelving option.
